Confirming Your Identity

In order to process your application Metfriendly will refer to Credit Reference Agencies to confirm your identity. This search will leave a 'footprint' on your credit file, which is required to record that the check has taken place. This footprint is not the same as a credit check footprint and has no negative impact on your file. Please read the following:

ID Declaration

I understand that you will undertake a search with a Credit Reference Agency for the purposes of verifying my identity. To do so, the Credit Reference Agency may check the details I supply against any particulars on any database (public or otherwise) to which they have access. They may also use my details in the future to assist other companies for verification purposes. A record of the search will be retained. The Credit Reference Agency may disclose that information, and the fact a search was made to its other customers for the purposes of assessing the risk of giving credit, to prevent fraud, money laundering and to trace debtors. A record of the search will be retained by the credit reference agency.

Pre-existing and related medical conditions

Full details of pre-existing conditions and related medical exclusions are covered in the policy document in part 7. A brief summary is below.

Pre-existing critical illness

A pre-existing critical illness is one which an individual has, before the commencement of this policy:

- received treatment for
- sought advice for
- experienced symptoms of or
- been diagnosed with.

In addition, an illness previously suffered which leads to a claim for loss of limb, loss of sight, terminal illness or total permanent disability benefit is also excluded.

Related medical conditions exclusion

No benefit will be paid in respect of any critical illness where a related medical condition existed prior to the commencement of this policy unless the insured person had neither received any treatment, nor experienced symptoms, nor sought advice for that related medical condition for at least two consecutive years since the commencement of this policy.

No benefit will be paid for any loss of limb, loss of sight, terminal illness, or total permanent disability benefit where a related medical condition existed before cover starts.

Example of pre-existing and related condition exclusion

We will not pay any claim under this policy if the medical retirement/discharge or critical illness is caused, or contributed to, directly or indirectly, by any of the illnesses deemed to be the same critical illness as set out in **Part 7 Exclusions in groups 1-4** of the policy document.
